

CLINICAL PLACEMENT AGREEMENT FOR STUDENTS
AT THE INSTITUTE FOR FAMILY HEALTH

AGREEMENT made as of this _____ day of ____, 20 ____, between the Institute for Family Health, Inc. ("Institute"), a New York not-for-profit corporation, and _____ ("School"), and

WHEREAS, School has an educational program for qualified students preparing for the practice of _____ (the "School Program"), and

WHEREAS, the Institute operates numerous health services with corporate offices located at 16 East 16th Street, New York, New York, and the Institute provides education and experience to students enrolled in the School Program, and

WHEREAS, the Institute, among other responsibilities, manages health services, employs and provides all personnel needed for the operation of such programs, and

WHEREAS, the Institute and the School wish to enter into this agreement to assist in training qualified _____, in accordance with the goals of the School Program.

NOW THEREFORE, IT IS AGREED AS FOLLOWS:

1. Assignment of Students. The School shall assign students who are enrolled in the School Program to serve at the Institute as part of the students' regular clinical rotation. While at the Institute, the students shall provide services to patients as requested and supervised by the Institute's designated supervisor and in accordance with standard protocol. The number of students to be assigned, the practice areas of assignment and the students' schedules shall be determined by agreement between School and the Institute. The Institute and the School may assign students placed at the Institute to other facilities in furtherance of such students clinical training.

2. Supervision of Students. The School shall have responsibility for the administration of the School Program's curriculum requirements, grading, graduation and faculty appointments. Students assigned to the Institute shall be supervised by and receive training from the staff members of the Institute.

3. Student Expenses. The Institute shall not compensate the School's students for services provided hereunder, nor provide other incidents of employment, nor cover incidental expenses such as meals, housing, medical care, travel or uniforms. The Institute will provide emergency medical care to students who become ill or are injured while on duty at the students expense.

4. **Indemnity.** The School shall defend, reimburse, indemnify and hold harmless the Institute, and their respective officers, directors, employees and members of their medical staffs (the "Indemnified Parties"), from and against any claims, causes of action, costs, losses, damages, liabilities or expenses (including reasonable attorneys' fees) and disbursements which may be incurred by or imposed or asserted against, the Institute, arising out of or relating to this Agreement as a result of the acts or omissions of School or its employees, faculty members or students, provided, however, that the School will not be liable for any claims, causes of action, costs, losses, damages, liabilities or expenses (including reasonable attorneys' fees) and disbursements resulting from the negligence or willful misconduct of the Indemnified Party.

5. **Insurance.** The School shall procure and maintain, at its sole cost and expense, during the term of this Agreement, the following insurance coverage: general liability and professional liability insurance policy(ies) for its students in an amount not less than \$1 million per occurrence and \$3 million in the annual aggregate, to insure against any claims for damages arising directly or indirectly from the performance of services and activities in connection with this Agreement. The School shall provide the Institute with a copy of a Certificate of Insurance prior to the effective date of the Agreement. Such liability policy(ies) shall contain a provision that requires the insurer to provide written notice to the Institute ten (10) days prior to the cancellation or modification of said policies. In addition, the School shall immediately inform the Institute of any changes in the form of coverage of said policies.

6. **Student Health Requirements.** The School shall provide proof to the Institute that all students assigned are free from health impairments which may be of potential risk to patients or other personnel or which might interfere with the performance of their activities at the Institute. The School shall provide the Institute with evidence of:

(i) immunization for rubella, consistent with good medical practice, except that a woman of child-bearing age shall have a screening test to be followed by immunization as appropriate;

(ii) immunization for measles (rubeola) and evidence of immunity to measles and mumps;

(iii) immunization for adult diphtheria-tetanus within the previous ten (10) years;

(iv) PPD (Mantoux) skin test for tuberculosis prior to participation in the program and no less than every year thereafter for negative findings; positive findings shall require appropriate clinical follow-up but no repeat skin test; and

(v) a positive varicella (chicken pox) antibody titer.

(vi) for all people in direct patient care, hepatitis B immunity or a signed refusal of vaccination.

7. **Infection Control.** The School shall provide each student with general instruction in the infection control procedures used in clinical settings, including a review of the OSHA Bloodborne Pathogens Regulations.

8. Patient Confidentiality. All records relating to patients are and shall remain the property of the Institute and shall be kept wholly confidential in accordance with applicable provisions of federal, state and local law and the policies and procedures of the Institute. School shall ensure that its students assigned to the Institute hereunder are familiar with and will comply with Public Health Law Article 27-F and accompanying regulations governing the confidentiality of HIV-related information.
9. Removal of Students . At the request of the Institute, the School shall immediately remove from the Institute any student whose performance the Institute finds to be substandard or who in the judgment of the Institute is interfering with the delivery of patient care or with the day-to-day operations of the Institute.
10. Waiver. The failure of any party to insist in any instance upon performance of any term, covenant or condition of this Agreement shall not be construed as a waiver of future performance of any such term, covenant or condition, and the obligations of the parties with respect thereto shall continue in full force and effect.
11. Compliance with Laws and Regulations. All parties agree that they will comply in every respect with all applicable federal, state and local statutes and regulations, including those prohibiting discrimination on the basis of race, color, creed, sex, age, marital status, handicap, national origin, sexual preference or any other basis prohibited by law. In addition to the foregoing, each of the parties agrees to comply with all of the requirements of pertinent accrediting agencies including the Joint Commission for the Accreditation of Health Care Organizations. In the event of non-compliance, this Agreement may be terminated immediately. Notwithstanding any other provisions in this contract, the facility remains responsible for ensuring any service pursuant to this contract complies with all pertinent Federal, State and Local statutes and regulations.
12. Relationship Between Parties. Nothing in this Agreement shall be construed as creating the relationship of principal and agent, partnership, joint venture or employer and employee between School and the Institute.
13. Term. This Agreement shall be effective for an initial term of one year from the date first written above and will renew automatically from year to year, unless one party provides the other party with 30 days notice of its intention to terminate.
14. Termination. This Agreement may be terminated for cause upon thirty (30) days written notice setting forth the specific cause.
15. Modifications. Any modification, amendment, alteration, change, or cancellation of this Agreement shall be in writing and signed by all the parties.
16. Entire Agreement. This Agreement constitutes the entire understanding between the parties with regard to all matters referred to herein and supersedes all previous agreements, whether written or oral, with regard thereto.

17. Applicable Law. This Agreement shall be governed by the laws of the State of New York.

18. Notices. All notices to be given hereunder shall be deemed given if in writing and sent by registered or certified mail, return receipt requested, to the following addresses:

For Institute:
The Institute for Family Health
16 East 16th Street
New York, New York 10003

Attn: Edward M. Fried

For School:

A party may rely upon the addresses set forth herein unless notified of a change of address in the manner provided in this paragraph.
